

# ALUMINUM BUNK TRAILERS

DURABILITY • QUALITY • STYLE  
SATISFACTION

## Yacht Club Trailers

Lightweight – and looking good – for the long haul! Our aluminum bunk trailers provide the perfect ride for transporting everything from fishing boats up to 12,000 lb. cruisers!

The no-rust aluminum means no-worry

maintenance, no chipped paint, and dependability you can count on year after year!

A1828B
